ABOUT THE REMIX

The Wisdom of Kindness Flute Remix (featuring Bryan Baker) is unique in the 18-album Liquid Mind relaxation music series, in that it features recording artist/flautist Bryan Baker, whose smooth sounds and improvisational style blend perfectly with the gentle harmonies Chuck Wild creates. Bryan's imaginative performance weaves flawlessly in and out of Chuck's slow-moving track, which was originally released on **Liquid Mind XIII: Mindfulness**. The pair has created a deeply meditative and calming experience for the listener, one that honors the concept of kindness.

ABOUT BRYAN

Bryan Baker is a Long Beach, California, born and raised multi-instrumentalist, composer, & producer. He released his debut album 'Following a Feeling' in July 2021, effectively utilizing his 10+ years of classical and jazz training to make music that transcends traditional genres and sounds like nothing that has come before it. Drawing elements from artists such as Khruangbin, Pat Metheny, and Herbie Mann, Bryan combines these influences to forge his own path towards a blissful, sonic landscape.

The background features a complex, abstract pattern of overlapping, flowing lines in various shades of blue, teal, and purple. The lines are thin and ethereal, creating a sense of movement and depth. The overall color palette is cool and vibrant, with a gradient from deep blue to bright cyan and purple.
